

02 Folk Village

A time travelling to the Joseon Dynasty!  
Meet all the most beautiful four seasons in Folk Village

A typical village of the Joseon period has been recreated on a 245-acre site regarded as a propitious location according to the principles of feng shui, with a river flowing in front of it and a mountain behind it. Visitors can experience our Korean ancestors' native wisdom in the Korean Folk Village where 270 traditional Korean houses have been relocated from the various regions of Korea, and can take part in a re-enactment of the ancient way of life.
